Shabbat Heroes

5:45 PM – 6:30 PM

Geared towards toddlers to 2nd graders, Shabbat Heroes creates a path leading children to learning what it means to be Jewish while making lasting friendships on their way.

Each session includes a variety of challenges, games, and crafts to help solve a Shabbat Heroes mission. At the beginning of each mission, children are given a case which they must solve in order to have a successful Shabbat. After completing the steps which were planned especially for small children, your little ones officially become Shabbat Heroes. In addition they will be practicing and learning prayers for Shabbat, learning about Jewish traditions, and most of all, having tons of fun!

Pot Luck Dinner

6:30 PM

Bring the family and a Dairy/Parve dish to share.

S'more Making

Roast marshmallows and make s'mores for dessert over a small open fire.

Storytelling and Family Shabbat Service

7:15 PM

Hear Professional Storyteller Maria LoBiondo, weave her oral magic and join us for a shortened Family Shabbat Service outdoors by the light of the setting sun as well as the glow from the fire as it naturally goes out.

If it is too hot & muggy, services will be held indoors.

Please RSVP to Rose at 856-917-1849 or Rose9483@verizon.net to coordinate dishes.

WE HOPE YOU'LL JOIN US!
