NOW**

**for Religious School**

Have you registered your child/children  
for Religious School?

We need to plan for next year. Teachers need to be hired and books need to be purchased. All of this depends on the number of students in each class.

Please send in your Religious School Registration today!

If you know of families in the area with Religious School age children, please give us a call and we'll reach out to them with Religious School Information.
