A morning of dice rolling fun! We'll teach you how to play!

Modern Bunco is a super fun dice rolling game, with twelve or more players, divided into groups of four, trying to score points while taking turns rolling three dice. Players change partners every time a Bunco is rolled. It's fun, easy to learn, and it's not just for women....men can play too!

\$15 entry fee includes baked ziti and salad lunch.

Please RSVP by February 18 by sending a check to the Temple Sinai Office.

MUST BE 18 TO PLAY!
