Shalom Fellow Congregants,

Temple Sinai is our family. As you know being part of a congregational family means more than coming to services, paying dues and participating in fundraising and social events. It also means helping the “family” when you are able to and when you are needed.

Attached is a list of things Temple Sinai sometimes needs help with. Please mark your interest(s) so that you can be called upon if needed. Also would you please take a moment to think if there is anything you can do for individual congregants. Examples: computer help, tutoring, help plan family events, etc. You can write these ideas on the bottom of the form. Please return this form to the office.

Thank you for giving your time to our family, Temple Sinai.

Ellen Dix
